Scenic Life on the Mekong

As your 5-star boutique floating hotel cruises along the Mekong, you will gain a true insight into the history, culture and wildlife of the ancient lands that have built a life around these vital rivers.

As with any other element of Mother Nature, rivers and waterways have personalities of their own and are subject to variations in water levels throughout the year.

Scenic Spirit and the itineraries are purpose-built with these potential variations in mind. Every effort is made to adhere to the planned itinerary. However, change in water levels and river conditions may require journey modifications. These changes will be made based on the advice of local authorities or for safety reasons.

Our local Scenic offices monitor water levels closely to handle all navigation issues in a timely and efficient manner for minimal disruption. Our expertly trained captain and on board crew, along with our meticulously handcrafted itineraries, will ensure your cruise is as memorable and smooth sailing as possible.

The literal translation of Ha Long means 'descending dragon', and the best way to appreciate the magnificence of Halong Bay's many islands, isles and karsts is by sea on a comfortable two night voyage.

Exploring deeper than most ships in Halong Bay, the luxurious Au Co cruise provides up-close views of the majestic peaks and access to some of the massive stalactite-filled caves without the need to change boats. In Hoi An, the blend of Japanese, Chinese and Vietnamese old world architecture are as beautiful as they are historic. Shop in Hoi An's famous tailors, relax along its charming river banks, and take a night-time stroll through streets lit with old-fashioned lanterns and strewn with pink bougainvillea flowers, to truly experience this town that was forgotten by time.
